TVNF Awards Second Round Funds

Last month, the Tri-Valley Nonprofit Fund reached their second-round goal of \$60,000. The Matching Funds Partners that made this second round possible were **Marti and John Sutton, St. Charles Borromeo, Gene Morgan Insurance Agency and Mony Nop Real Estate.**

Community contributions also came in strong and included several online concert fund raisers and recitals highlighting amateur musicians from all walks of life! It is an honor for Spectrum Community Services to be chosen as one of the recipients of these funds.

Recognizing the need for additional regional support during the COVID-19 pandemic, the Tri-Valley Nonprofit Alliance (TVNPA), in collaboration with Community Health & Education Foundation (CHEF), launched the **Tri-Valley Nonprofit Fund (TVNF).**
